

Deledda International School Service Calendar 2016/17

Below is a list of our most important, large-scale Service Projects.

(There are many more smaller or individual projects for CAS)

Activity and date	Subject Link	Subject-based Learning Outcomes
OCTOBER		
<p style="text-align: center;">CEPIM Day Sports with Down's Syndrome Society</p> 	<p style="text-align: center;">PE</p> <p style="text-align: center;">Science</p>	<p>MYP & DP Students, with the help of a Cricket coach, learn in PE how to play this new sport and then share their skills on CEPIM Day.</p> <p>MYP5 Students focus on the Down Syndrome in developing the Unit of Work : "Heredity - are we equal or diverse". The concept of difference among humans will be discussed starting from their chromosomal profile.</p>
NOVEMBER		
<p style="text-align: center;">Christmas Bazaar</p> 	<p style="text-align: center;">English</p>	<p>MYP 123 and 5° Elem. Students create Christmas decorations to raise money for charity and help out smaller kids. They work on the DIS stand and get valuable experience of Service while in a safe, indoor environment.</p>

FEBRUARY		
Nuotathon 	Humanities & PE	MYP and 5 th Elem. Students raise money for charity by “swimming for others”. They have swimming and lifesaving lessons in MYP1 to prepare for the event.
MARCH		
<p>Migrations - Comunità Sant'Egidio</p>  <div style="border: 1px solid blue; padding: 5px;"> <p>WHAT?  a multimedia art exhibit on “migration”, it’s promoted and organized by Deledda International School.</p> <p>WHEN? March 16th there is the opening ceremony from 5p.m. to 7p.m., the exhibit will be held until the 20th.</p> <p>WHERE? Museo di Arte Contemporanea di Villa Croce.</p> <p>HOW CAN I HELP? Giving your contribution to the exhibit: - by personally contributing with your work / reflections; - by expressing yourself on this theme; - by creating an outcome on this topic. It should be visually impressive for the exhibition.</p> </div>	All subjects and year groups	<p>An inter-disciplinary project involving the entire school community, students, teachers and families as well as local and national organisations. The production and exhibition of school and art work based on the theme of “Migrations”, integrated with a collection of food and products for the “Human Corridors” and “Genti di pace” projects, organised by Comunità di Sant'Egidio. "</p> <p>"Progetto interdisciplinare che coinvolge tutta la comunità scolastica: studenti, insegnanti e genitori ed associazioni locali e nazionali. Produzione e esposizioni di opere artistiche sulla tematica delle "Migrazioni" e raccolta di beni alimentari a destinazione del progetto "Corridoi umanitari" e dei "Genti di pace" della Comunità di Sant'Egidio. "</p>

APRIL		
Bake-a-Cake for those in need: fundraising event	All subjects	MYP 2-5 Students made cakes to sell at school in order to raise money for the people in disaster zones.
MAY		
Baby Marathon 	PE Foreign Languages	MYP 1 and 2 students participate in the Genoa Baby Marathon which raises awareness for the Genoa Blind Society (il Banco degli Occhi). They also sell raffle tickets for the event, donating the money raised to the same charity. MYP1-3 Students learn modal verbs (can/can't, to be able to etc.) in English and other languages, reflecting on the difficulties blind people face.
JUNE		
Environmental Responsibilities <ul style="list-style-type: none">• Sponsored Park Clean-up• Painting benches• Annual Beach Clean-up 	Art & Humanities	Having officially adopted the nearby park, MYP 1 Art students take care of the park, cleaning it up for the community, creating a nicer environment for all users. Students learn how to apply paint correctly, using the appropriate materials and methods, how to clean up and use lightly toxic materials responsibly. By doing this, the students also help the community and create a nicer play area for children to utilise and later, in Geography, MYP 2 students learn about weathering and erosion.

Sciences

In Biology lessons, MYP 4 students study Ecology and learn how preserving ecosystems and their biodiversity is important to safeguard our planet. These students then perform a beach sweep, along with MYP5, spending a day clearing 3kms of public beach; dealing with pollution, non-biodegradable and long-lasting materials at first-hand; all issues faced in class.
